# 3 AND 5 DAYS IN GREAT YARMOUTH

## ITINERARY HIGHLIGHTS

Discover Great Yarmouth's quieter side during an autumnal or winter short break. As one of the driest counties in the UK, any time of year is a great time to enjoy a walk on the beach and feel the sand between your toes. The nights are pulling in and the queues have gone - explore Great Yarmouth and the surrounding towns and villages at your leisure. Here's a few of our favourite things to do:

- Explore the shoreline - 11 beaches to choose from. Soft, clean sandy beaches, perfect for wintry walks.
- Visit the Fire on the Water event taking place at the recently renovated Venetian Waterways - an immersive experience with magical, blazing displays of fire installations and sculptures.
- Shop at the Market which dates back to 1208 with a six day covered market plus more stalls on market days, Wednesdays and Saturdays.

## MARKET NEWS

### MARKET PLACE REDEVELOPMENT

Market facilities in Great Yarmouth will be greatly improved under a redevelopment plan which is already underway. Stalls will sit under a striking canopy which aims to be a brighter, more inviting space which will also compliment the historic setting. A wide internal walkway along with covered open spaces will allow a variety of uses including pop up stalls, performances and exhibitions. The new design will be carried out in stages enabling the current market stalls to continue to trade throughout.
